PSC SCHEDULES ON-THE-RECORD IN SEWER RATE REQUEST

Jefferson City (March 10, 2004)---The Missouri Public Service Commission will hold an on-the-record presentation on March 17, 2004, to receive more information in a sewer rate case filed by North Oak Sewer District, Incorporated.

The on-the-record presentation is scheduled to begin at 8:30 a.m., at the Commission's offices located in the Governor Office Building, 200 Madison Street, in Jefferson City. The Governor Office Building is a building which meets accessibility standards required by the Americans With Disabilities Act. When North Oak Sewer District, Inc. filed a sewer rate request with the Missouri Public Service Commission, it sought to increase annual sewer revenues by approximately \$8,000 a year. Based upon an audit of the books and records, the PSC Staff recommended a rate increase of approximately \$3,850. Under that recommendation, sewer rates for single family dwellings would increase from the current monthly rate of \$30.00 to \$37.70 a month. For mobile homes in parks and apartment buildings, the sewer rate would increase from \$26.00 a month to \$30.16 a month.

North Oak Sewer District, Inc. serves approximately 60 customers in an unincorporated area of Warren County near Wright City, Missouri.
